Come learn and play with us!

Wrap a fantastic holiday around a fascinating Gestalt Conference at University of British Columbia. A Campus surrounded by sea and mountains, just 20 minutes from beautiful downtown Vancouver.

Conference attendees will participate in presentations of Gestalt colleagues from around the world: large groups, small groups, seminars, experiential workshops and process groups that meet throughout the conference. We have invited presentations from George & Judith Brown, Carl Hodges, Philip Lichtenberg, Erving Polster, Frank Staemmler, Ann Teachworth, and Gary Yontef. We will provide conversation hours with many of these people. We will dance, sing, and otherwise play. This conference, and pre-conference workshops, offer opportunities for personal growth, professional development, continuing education credit, and collegial support.
