| SUBJECT | ISSUE/DISCUSSION POINT | Decision Made | Action Point | Completion Date |
|------------------------------------|---|---------------|--------------|-----------------|
| REVIEW ITEMS | | | | |
| 1. Welcome | <ul style="list-style-type: none"> GF welcomed AAGT members and opened the community meeting. | | | |
| 2. Update on Nominations For Board | <ul style="list-style-type: none"> Dominique Chabre declined the nomination to take on interest group co-chair. Conference participant asked about board positions, duties and commitment. | | | |
| 3. Outline of Meeting | <ul style="list-style-type: none"> Adam Kincel reminded everyone of available time for community meeting and discussion. Charlie Bowman expressed concern of division between community and organisation needs. Burt Lazarin talked about internationality and that not everyone has a US background. Lee Zevy discussed the previous day's workshop on AAGT and internationality and asked why a workshop on it and not a whole community meeting. | | | |

| | | | | |
|--|---|--|--|--|
| | <ul style="list-style-type: none">• Peter Philippon reminded members of previous decision to be an international organisation and the implications of that decision in terms of location for conference every second year.• Issue of bilingual and translation or lack of. A Mexican participant discussed making the commitment to come to Asilomar with understanding of translation being provided and has arrived to discover no translation.• Member raised similar issue of given the decision previously to be international, is there another decision to be made to be bilingual as well?• Cathy Gray reminded membership, whenever we make change there is always turbulence.• Eva reminded membership AAGT is an evolving experiment and affirmed decision to be international and that the organisation as a whole has not followed through with intention.• Claire from UK proposed the possible need of a American Gestalt organisation. | | | |
